## Designed by Centrifuge Engineers & Veterinary practitioners

Laboratory quality centrifuges for the veterinary market

Centurion's PrO-Vet Centrifuge Range, is designed with Veterinarians ensuring the PrO-Vet range has all you need for your veterinary clinic, from Haematocrit and Cytology through to large capacity.

The PrO-Vet centrifuge range is used in Veterinary practices worldwide as well as Vet hospitals, zoo's, animal welfare and animal charity organisations and horse reproduction centres.

- Laboratory quality - quiet with minimal vibration
- Designed for ease of use
- Reliability backed by a 2 year warranty
- Designed and manufactured in the UK
